

EQR Data Element Details

3/4/2003 2:33 PM

Screen/Parent Element	Field/Data Element	Field Length / Data Type	Value/Details
Respondent Data	Respondent Name	70/Char	Not editable
	DUNS (R)	15/Char	A nine-digit number with no dashes
Respondent Contact Data	Name (R)	50/Char	Seller's Name. Duplicates not allowed
	Title (R)	50/Char	Contact's Title (such as Contract Administrator and Regulatory Affairs Director).
	Phone (R)	20/Char	Respondent contact's Phone number
	Address (R)	4/Memo	Respondent contact's Address
	City (R)	30/Char	Respondent contact's City name
	State (R)	2/Char	Two character State or Province abbreviation
	Zip (R)	15/Char	Postal Service ZIP code
	Country Name (R)	20/Char	Country Name List Values: CA - Canada MX - Mexico US - US.
	Email (R)	100/Char	Respondent contact's E-Mail address
Sellers Data	Seller Name (R)	30/Char	Seller's Name. Duplicates not allowed
	DUNS (R)	15/Char	A nine-digit number with no dashes
Seller Contact Data	Name (R)	30/Char	Contact's complete name
	Title (R)	50/Char	Seller contact's Title (such as Contract Administrator and Regulatory Affairs Director)
	Phone (R)	20/Char	Contact's Phone number
	Address (R)	4/Memo	Seller's Address
	City (R)	20/Char	Seller's City name
	State (R)	10/Char	Two character State or Province abbreviation
	Zip (R)	10/Char	Postal Service ZIP code
	Country Name (R)	20/Char	Country Name List Values: CA - Canada MX - Mexico US - US
	Email (R)	100/Char	Seller's Contact E-Mail address
Agent Data	Agent Company Name (R)	70/Char	Agent company's name
	DUNS	15/Char	A nine-digit number with no dashes
	Name	50/Char	Agent's complete Name
	Title	50/Char	Agent's Title (such as Contract Administrator and Regulatory Affairs Director)
	Phone	20/Char	Agent's Phone number
	Address	4/Memo	Agent's Address
	City	30/Char	Agent's City name

Screen/Parent Element	Field/Data Element	Field Length / Data Type	Value/Details
	State	2/Char	Two character State or Province abbreviation
	Zip	10/Char	Postal Service ZIP code
	Country Name	20/Char	Country Name List Values: CA - Canada MX - Mexico US - US
	Email	100/Char	Agent contact's E-Mail address
Contracts	Seller (R)	70/Char	Seller value (from list of entries)
	Customer (R)	70/Char	Customer name
	FERC Tariff Reference (R)	60/Char	Contract's FERC tariff reference number
Contract Data	Contract Service Agreement ID (R)	30/Char	Alpha-numeric identifier unique to each contract; Given to each service agreement
	Customer DUNS field (R)	15/Char	A nine-digit number with no dashes
	Affiliate (Y/N) (R)	1/Char	Yes or No
	Contract Execution Date (R)	8/Date	Date contract was signed. Use latest date signed for multiple dates. Date format (MMDDYYYYHHMM).
	Contract Commencement Date (R)	8/Date	First date contract was effective; frequently the first date of service under a contract. Date format (MMDDYYYYHHMM).
	Contract Termination Date	8/Date	Date specified in contract on which contract will expire. Date format (MMDDYYYYHHMM).
	Actual Termination Date	8/Date	Date contract actually terminated. Date format (MMDDYYYYHHMM).
	Extension Provision Description (R)	4/Memo	Descriptive Text
Contract Product Data	Product Type Name (R)	5/Char	List Values: CB - Cost-Based MB - Market-Based Other - Other S - Services T - Transmission
	Product Name (R)	50/Char	List Values: BACK-UP POWER BILLING SERVICE BOOKED OUT POWER CAPACITY COST-BASED POWER CUSTOMER CHARGE DEMAND CHARGE DIRECT ASSIGNMENT FACILITIES CHARGE DYNAMIC TRANSFER ECONOMY POWER EMERGENCY ENERGY
